

Soterion is undergoing a massive upgrade and change which will require your patience when relocation takes place. I say when relocation takes place but it may be "if relocation takes place". We are still seeking to get a loan to provide financing.

Presently we are looking at grants (if possible) as well as other creative methods to bring you the first class and professional services demanded by our standards.

What we are offering is this: our website will have a place to click and donate if you so desire with our complete thanks and gratitude. We are also having a "future plans" business presentation luncheon for possible investors who seek to help us provide excellent services for themselves as well as their community and can afford to help with an interest bearing, two year return for a promissory note investment. Other methods will be discussed but what we need to know is if you would like to attend and show your support.

If you would like to attend the presentation luncheon you can do so by responding by e-mail, voice message mailbox, or by calling us directly and request to be added to the list. Please RSVP by September 30th, 2007.

Thank you so much for your consideration and support.

WE NEED YOUR E-MAIL ADDRESS TO KEEP YOU UPDATED. HELP US GET INFORMATION TO YOU QUICKLY AND EFFICIENTLY. CALL US OR E-MAIL AT THE ADDRESS BELOW. THANK YOU FOR YOUR ASSISTANCE.

The performers were magnificent and we will soon be making some of these teachers available to you as the new instructors in our fitness center. Watch for our announcement!
